

Dear Parishioners of St. Mary's,

I wish each and every one of you a Blessed and Spirit filled Easter. The message of the Resurrection of Christ has been proclaimed throughout the ages. In good times and in bad times. The Resurrection of Christ is a message of Hope that we all need to be reminded of in our present age. The present pandemic has put a stop to our regular way of life, separated us from each other, and reminded us that we are not always in control of our lives. The one constant we can count on is The Risen Christ, the Loving Lord, Jesus; whose love for each one of us is beyond our comprehension. He calls us to live, by his commands and beatitudes, fully engaged in our lives, with his divine grace, not one free from life's challenges or suffering, but to live in His divine peace. As this world has come to a stop due to Covid - 19, perhaps this is a time for us to reflect on our gift of faith, and how we will live it out, now, and when this pandemic is over.

The Lord has truly risen, Alleluia.

To him be glory and power

for all ages. Alleluia.

Yours in Christ,

*Fr. R. Love*
