

The Holy Spirit – Symbol of the Dove

Make a dove out of a white paper plate to represent the Holy Spirit. Draw out the center piece first in the middle of the plate. For the tail part, make sure to use edge of the plate and then the wings come from the two sides of the plate. The teacher can either trace them all first for children to cut out or have the pieces already cut. Assemble together and draw the eyes, nose and feet.

While the children are making the dove, read out of the bible the story of the Baptism of Jesus, Mathew 3:13
