

Trinity craft

Cut out 3 hearts and glue them on a piece of paper to form a shamrock

Write the names of the Trinity on each heart. This should be done in a thick white crayon. Give out the first heart that says **Father** and have the children place that at the top of their page. Continue with the next two.

Have the students paint with green water color paint over each heart as the teacher instructs the students how the Trinity always existed but that God revealed to us himself and Jesus his Son and the Holy Spirit.

As the child colors each heart the words should then appear
