Re: COVID-19 Updates

Bishop Folda announces the following updates to the Covid-19 diocesan guidelines, **effective immediately**:

- Offertory processions at Mass may now resume.

The above change is neither mandated nor required. It is up to pastors to decide how best to implement the gradual return to normal worship.

As a reminder, the following remain in place:

- Confession is to be held in areas that allow for more space and air flow.
- The distribution of the chalice to the Faithful is suspended.
- The Sign of Peace is not to be exchanged.
