Did Jesus have a Guardian Angel during His earthly ministry?

St. Thomas Aquinas teaches that Jesus did not need a Guardian Angel during His earthly life because He was guided immediately by the Word of God. As the Second Person of the Blessed Trinity, he already enjoyed the Beatific Vision to a degree vastly surpassing that of all the angels. Therefore, instead of a Guardian Angel to guide him, it was fitting that Jesus should have rather a ministering angel (or angels) to assist and serve Him during His time on earth.

This reflection and others can be found at the Opus Sanctorum Angelorum website: opusangelorum.org.
