

3rd Grade Supply List 2020-2021

Welcome to 3rd Grade! We are so excited to start a new year!

To simplify things with the unprecedented nature of this year the student supply list has been broken down into items that will be kept in school and items that will need to travel back and forth to school each day.

Please be advised that students will need many of the items that are kept in school at home as well in case we have to suddenly switch to remote learning, for example pencils, erasers, glue scissors, etc.

Please purchase a clear shoebox container or 5-quart container for your child. This will house all your student's individual supplies, so no one is sharing items. Please label the box with your child's first and last name.
