

Dear New 3rd Grade Families,

Hi and welcome to the third grade! My name is Mrs. Hetherington and I'm honored to be your child's third grade teacher. I am looking forward to meeting and getting to know you in the fall. Before we begin a new school year, you have the whole summer to enjoy! Here are a few things you can do this summer to get ready for the third grade:

1. i-Ready practice! Log into i-Ready (<https://login.i-ready.com/>) each week and complete 30 minutes of math and reading. Students should have their usernames and passwords. If you have any trouble logging in, please let me know and I will email you a copy of the math and reading material.

2. WRITE in a journal. During the summer as you go to camp, vacation, or just relax at home, write about what you are doing!

3. Have FUN and ENJOY your summer! Please read and write as much as you can, but also relax and spend time with family and friends. I look forward to seeing you in September! Please email me if you have any questions:

Have a wonderful summer,
