

Dear Future 5th Grade Students,

One of the best things to do to prepare for 5th grade over the summer is to read! I encourage you to read as much as possible.

The first part of your summer assignment is to read the novel Hatchet by Gary Paulsen. After you read the book you will have to write the following:

- A brief summary of the book
- List the main characters and setting of the book
- Write a paragraph on whether or not you would recommend this book to someone. Why or why not?

The second part of your summer assignment is to complete 30 minutes of iReady each week (in ELA or Math).

Have a wonderful summer! I will see you in September! :)
