

SUMMER ASSIGNMENT FOR KINDERGARTEN

Dear Parents,

Your child accomplished so much during Pre-K, and I would like them to maintain their skills for September. Please have your child practice writing their first name with only the first letter upper case, and the rest lower case.

Please read to them as often as you can. This exposes them to rich vocabulary and a love of books. Libraries have awesome summer programs if you need to find new and exciting books.

I look forward to meeting all of you very soon.

Sincerely,
Mrs. Grace O'Brien
