

Dear Families of 5th Graders,

Welcome to the 2020 - 2021 school year! We have loved meeting our homeroom students the past two days and can already tell that this is going to be a wonderful year of learning! Since there is a possibility that we could go remote at any point due to the COVID-19 pandemic, we have decided to provide some updated information on which supplies have to be brought back and forth to school, can stay home, and be left in the student's desk.

Bring Back & Forth To School	Leave in Desk	Leave At Home

All textbooks should be left home. Workbooks should also be left home as we will instruct students to rip pages out and bring to school in a folder as needed.

We appreciate your patience during this unprecedented time and look forward to working with you in the future . Please feel free to contact either of us via email with any questions or concerns you may have.

Thank you,
Mrs. Guerriero (5-1) and Ms. Harnedy (5-2)
