

Hello, My name is **Isabella Barberio** and I am running for student council class president. I'm running again to help showcase all the great opportunities student council has to offer to Holy Trinity. We organize multiple school events throughout the year and I want to help encourage everyone to participate in these events! This past year, I was a part of the Trinity Dance Company and on makeup crew for the fall production of Hamlet. I also had the chance to go on the Georgia Mission Trip during winter break and be captain of the girls JV lacrosse team! I hope everyone will consider re-electing me for another amazing year as class president!
