

LESSON 6 REMOTE

**THIS IS NOT A TEST, BUT WE'D LIKE YOU TREAT IT LIKE ONE (Just for some Halloween fun! We won't grade it like an exam, but we'll read it to see that it's complete.) IT COVERS SOME THINGS THAT WE SEE AS BASIC TO GREAT DRIVING!!!!**

Feel free to use any resources that you would find helpful.

Please send your responses in the body of an email by November 2 at 8 am to your lecture teacher.

**YOUR NAME** and **LESSON 6** must appear in the SUBJECT BOX.

### 1. Vehicles

Vehicles are safer than ever. Watch the video ESCAPE! CAR CRASH Describe five major safety features in vehicles that either prevent crashes or help people survive crashes. (2-3 sentences for each please).

### 2. Vehicles

Airbags are lifesavers! From the last 15 minutes of the video ESCAPE! CAR CRASH: Describe how airbags work. WHO should never be seated in front of an airbag? Explain.

### 3. Driver Readiness

You are walking toward your vehicle which is parked at a curb and you plan to drive down the road to begin your journey. List as many specific steps as you can to get yourself safely into the vehicle, behind the wheel, and safely on your way forward.

### 4. Driver Safety

Explain why distracted driving - especially cellphone/smartphone use - during driving is dangerous. What are the rules in New York State regarding driving and cell phone use?

### 5. Driver Safety

Lane changing is one of the most challenging moves in everyday driving. From your experience please explain why and offer a step by step description of a good, safe lane change.
