Dear Parents/Guardians,

After consulting with teachers, students, and parents, Holy Trinity High School has decided to administer all final exams for the 2020-2021 academic year remotely. In this way we hope to ensure that all students are offered an equitable opportunity to complete their exams. Students will be required to complete all appropriate exams on-line, following the attached schedule. Exams will be posted on Google Classroom.

Please note the following:

- Regents Exams will still be administered at Holy Trinity for the students who have indicated that they wish to take such exams.
- “Test-read” accommodations will be offered at Holy Trinity for those students who are eligible for them. Students will be contacted by the guidance department to confirm their participation. Students who opt to attend school for this accommodation must be in school uniform.
- Extended time will be built into the remote exams for those students who are eligible for it.
- All students are expected to complete all exams in the allotted time. Failure to submit an exam on time may result in a loss of partial or full credit.
- Teachers will be available via email to answer any questions that might arise during the exams.
- Students who have two exams scheduled for the same time period should speak to their teachers regarding resolving the conflict.
- Questions regarding specific exams should be directed to the appropriate teacher.
- Buses will continue to operate on each day an exam is administered. It is the responsibility of parents to inform their school district if their child is not taking their bus on a scheduled exam day.

Sincerely,

  
James Muller
