The CARES Act can help local churches!

By providing key tax incentives for donors to non-profit organizations, the new legislation may encourage you to consider a financial gift to your parish, the Diocese of Metuchen or one of its entities.

On Friday, March 27, Congress passed and the President signed into law the Coronavirus Aid, Relief, and Economic Security (CARES) Act. This is a \$2 trillion economic stimulus package legislated to provide immediate relief for nonprofits, businesses, individuals and state and local governments.

The CARES Act incentivizes charitable giving from individuals and corporations by increasing tax deductions for charitable donations.

All taxpayers (both those who itemize and those who use standard deduction) can deduct up to \$300 of total charitable contributions in 2020. Prior to the CARES Act, those who use standard deduction could not deduct any charitable giving.

The law lifts the existing cap on annual contributions for those who itemize their taxes, significantly raising it from 60% of adjusted gross income to 100% of adjusted gross income.

The CARES Act raises the annual limit of charitable giving that corporations can deduct from 10% of taxable income to 25% of taxable income.

Food donations from corporations are raised from 15% of taxable income to 25% of taxable income.

BISHOP JAMES F. CHECCHIO

My Dear Brothers and Sisters in Christ, Brother Priests, Deacons and Seminarians, Faithful Consecrated Women

I write to you with great hope and confidence that God is close to us in these very difficult days. We must never doubt that our daily concerns are His concerns too. And no one knows our needs better than Jesus' own mother, Mary.

We already have turned to her with trust and confidence this past year when our diocese was consecrated to Jesus through Our Lady of Guadalupe. This has been one of the highpoints of my own spiritual journey with Mary as my companion and guide in my walk of discipleship with her Son, Jesus Christ, and I continue to witness firsthand in our diocese a renewed fervor and desire to serve God and His Church in our parishes, schools and institutions

Indeed Mary, who is the Mother of the Church and of each one of us, has a deeply intimate concern for us. In her motherly care, we will invoke her to look with tender mercy and compassion on the struggles, sickness, suffering and death that many have experienced in these past weeks due to the COVID-19 pandemic. Ultimately, we know that only God can bring us the miracle of healing, peace and new life. Our Lady understands the mystery of God's will more than anyone.

As we joined in prayer across our diocese, we will be supernaturally joined to the Body of Christ spread throughout the United States and Canada, all seeking the protection and help of Mary, the Mother of the Church. May is our Blessed Mother's month in particular, so how appropriate we will join together on this day to implore her help and remind us of her closeness to us! God Bless you, Bishop James Checchio
