Teaching Minds. Guiding Hearts.

6/14/2019

Dear St. Joseph School Community,

We can't believe that the year is coming to a close, and what a busy week it's been! The Nursery, Pre-K and Kindergarten all graduated today, and our 8th grade will culminate their week-long celebration with graduation on Saturday morning. On Thursday night, they were treated to the first ever St.

Joseph School Class Night – a night of dinner and dancing to celebrate their success together. We look forward to our current Nursery class – the class of 2029—having the same experience when they become 8th graders here at our school!

The third grade had a fun STREAM activity when they were tasked with recreated Oliver K. Woodman, a character from a book they read in class. The students worked together to create designs and reused materials to make an eco-friendly model!

The fourth grade treated the 2nd and 3rd grades to a recorder concert. A big thanks to them for practicing so hard and setting a great example for their younger peers – now they have something to look forward to!

We wrapped up our class picnics as well –

here's the 7th grade enjoying a beautiful afternoon on the playground!

We'll end this *Week in Review* with how our week started – with the annual Golf and Tennis

Outing at Cherry Valley. We were proud to honor Mike and Irena McCarthy, who have done (and continue to do) so much for our school. It's events like these that make you proud to be a part of such a wonderful community filled with those that share the same Mission. I'd like to personally thank all of you that gave your support this year, whether through donating your time or helping to raise funds through our many events and service projects. You are such an important part of the strength of St. Joseph School, and we can look forward to next year knowing that we are only growing stronger together!

Enjoy your summer, and we'll see you in September!

Warm Regards,

Mr. Brian Colombari
Principal, St. Joseph School
