Teaching Minds. Guiding Hearts.

1/31/2020

Dear Parents, Guardians, and the St. Joseph School and Parish Community,

Wow, we are *jam-packed* this week with pictures from our Catholic Schools Week events!

This week, we will have just a brief description of each event so we can fit in all of our pictures. Before we start on Catholic School Week events, though, it's important to highlight the 5th and 1st grades' service project. The students made gift bags with homemade cards, activity books and crayons for pediatric patients at Winthrop Hospital. Representatives from 5th and 1st grade

were able to deliver these bags directly to the hospital – we are happy to provide our students with opportunities to put their faith into action. Also pictured are our 6th and 3rd grades, planning for their own service project coming up in February.

Now for our Catholic Schools Week recap....

Open House Sunday!

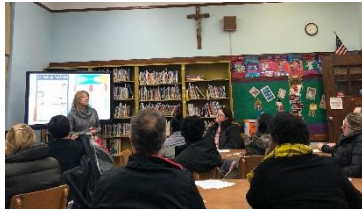

8th and Kindergarten Prayer Service!

Math and Spelling Bees!

Parent Workshop!

Pre-K Special Person's Day!

Game Show!

Buddy Day!

7th and 8th Grade Sports Night!

Tribute to Mrs. Cioffi for 40 years of service in the Diocese!

Whew, that's a lot of info! We had an amazing week – thank you to everyone that was able to participate in or help to plan all of our wonderful events. We look forward to carrying this positivity into the rest of the year.

Warm Regards,

Mr. Brian Colomban
Principal, St. Joseph School
