Dear St. Joseph School and Parish Community,

The first week of May is already in the books! Thank you for continuing to cooperate with our safety protocols and for remaining positive throughout this difficult year. We're happy that we're moving in the right direction, and have already had success with two major in-person events (our 7th and 8th grade dance and our May Crowning in the church), as well as an upcoming event tonight (Father/Special Person and Daughter Dance).

Coming up next week, we'll have our final Prayer Service of the year presented by 5th grade. That recording will be available on the morning of Ascension Thursday. Also, our long-awaited Drama Club Production of *The Lion King* is next Friday night! If your child is in the play and you have not yet secured your two tickets, please do so through the Google Form sent to you in an email last week. If you need that link again, please let me know.

Other important information went out this week regarding future events: Early Childhood graduation, 8th grade graduation and Field Day. Please make sure to review all of the information that you received regarding any of those events. If you have questions, always feel free to reach out!

Last, we'll be having a Parish event on the evening of Monday, June 21st. Our newly enrolled 2021-2022 families from K to 8 will be invited as well. We're looking forward to welcoming our new families, and celebrating this time of unprecedented growth at St. Joseph School, with our projected 2021-2022 enrollment at **over 400 students!** We are truly blessed.

To all of our mothers: Happy Mother's Day on Sunday!

Enjoy the weekend,

Mr. Colomban
