

Algebra 2 Regents/Honors (4332/4333) Summer Homework Assignments

The summer assignment is broken into three sections so that students can progressively complete their work throughout the summer. Below are links to the **three** summer homework assignment sections. **Complete all three assignment sections before September 9.** (The links work best in Google Chrome.)

Each section below contains both a link to a printable PDF of the assignment and a link to a website where students are required to submit their solutions online. When inputting your solutions, please type your full first and last name when prompted. If you have any questions or need technical support please email the Math Department Chairperson Mr. Grover at Grover@sjbdhs.org.

You must:

- Print the PDF
- Complete the assignment showing all work on the PDF (which will be handed in on 9/9/19)
- Submit your solutions online

Good Luck!!!

Section 1: PDF Link: <https://www.problem-attic.com/pdf/r0rcyp4w>
Solutions Link: www.problem-attic.com/test/r0rcyp4w

Section 2: PDF Link: <https://www.problem-attic.com/pdf/823pabmz>
Solutions Link: <https://www.problem-attic.com/test/823pabmz>

Section 3: PDF Link: <https://www.problem-attic.com/pdf/74hq3j5z>
Solutions Link: www.problem-attic.com/test/74hq3j5z
