

# SJB SCHOOL DIRECTORY ON-PARENT PORTAL

The **St. John the Baptist Diocesan High School Directory** provides the names, addresses, phone numbers and e-mails of all students and families at St. John the Baptist. It is a useful resource when arranging rides, finding out important information or even just getting to know one another. If you would prefer **NOT** to have your information listed please fill in the appropriate box below, **otherwise your information will be listed but not as a safe house.**

**\*PLEASE NOTE:** *In addition to simply listing your information you can agree to be a **SAFE HOUSE** whereby you agree to the below commitment. This is optional. A note of "Safe House" will appear by your name in the directory if you choose.*

\_\_\_\_\_ I wish to be designated as a "Safe House" in the SJB School Directory. I understand this means that I, as parent/guardian agree to:

- provide active supervision** when my son/daughter has friends over
- prohibit the use of alcohol or drugs in my home**
- contact the parent of a guest** when a troubling situation or issue arises.

**PLEASE NOTE:** *This does not remove the responsibility to call homes, whether you are a safe house or not.*

Please e-mail back this form ASAP to Fran Isoldi at [campusministry@sjbdhs.org](mailto:campusministry@sjbdhs.org) and include your student's name. Thank You!
