## Ms. Kayse

Hello! My name is Ms. Kayse! I am so excited to be your teacher this year. I have many many fun and exciting things planned for us this year! This is my first year of teaching so I am excited to be able to learn along with you! A little about me, I am currently in college working on my bachelors degree in elementary education. I have one brother and two dogs that live at home with me. I love to play games and watch movies with my Mom and I also love to go fishing with my Dad.
