### **Introducing Family Dinner: 6-7pm in the Loft Driveway**

We know this retreat will be unique and different so we’d like to take the opportunity to do something new and come together as a parish family to conclude retreat together on Sunday evening!

Tables will fill the driveway outside of the Life Teen Loft following 5pm mass and we encourage teens, parents, & siblings to join us as we wrap up retreat with a shared meal, retreat testimonies, and community.

Hot dogs & hamburgers for all will be grilled by Fr. John

**Freshmen: bring drinks to share**

**Sophomores: bring a desert to share**

**Juniors/Seniors: bring a side to share**

\*Items may be dropped off prior to mass beginning at 4:30pm in the Loft\*

### *Covid Considerations:*

- *We’ll gather and eat outside.*
- *Masks are encouraged any time you’re not seated.*
- *Seating will be reduced at each table with only a maximum of 2 families sharing a space.*
- *Food should be individually portioned and packaged when possible (use plastic wrap for homemade items). Drinks are preferred as individual cans, bottles, or pouches rather than large bottles.*
- *Hand sanitizer will be available.*
- *Condiments will be available as individual portions instead of shared bottles.*
- *For those with higher risks, know that we value you as part of this Life Teen family but completely understand if you decide not to join us for this dinner given the current circumstances.*
