### Advent Season

During the Advent Season we will be live streaming Mass at school. This Wednesday will be our first live stream Mass.

### Library

This Thursday Mrs. Hart, our volunteer librarian, will be coming in to talk to the kindergarteners. She will be talking about what it will look like to go to the school library and check out a book. We will not be checking out a book this week.

### Curriculum

We are doing a great job covering the curriculum this year. For many years I taught half day kindergarten, so I am familiar with integrating the curriculum across the subject areas. Also, with having the students staying in the room most of the morning, we save time with transitioning to other places.

### Superkids

Please continue to have your child practice blending by rereading the stories and Superkids books that are brought home. The stories and games are available online too. The more your child practices blending, the more fluent of a reader he/she will become.

### Special Snack

On Friday, December 18<sup>th</sup>, we will have a special snack to celebrate Christmas. I will bring in Christmas cookies. If your child has a food allergy or doesn't want a cookie, you may send something else for him/her. We will be eating our snack outside like usual.
