Go Titans!

Superkids

The students have been working really hard on blending and reading. When your child brings his/her book home, please make sure they are reading the stories to you. Also, your child can go on the Superkids website and read new stories that we have not read in class. They have stories that are easy, on-level, and challenging.

Mass

Kindergarten through third grade will continue to livestream Mass on Wednesdays at 8:30 am.

Spelling

On our last spelling test I added a dictation sentence. It's great to see how the students are applying everything they have learned this year. Thank you for working with your child on the words each week. We will not have any words this week, because it's a shorter week.

Math

We have been working on addition the last few weeks. The students made flashcards with sums up to 5 and have been practicing them. Next week we will begin subtraction.

$$2+3=5 \quad 4+0=4$$

$$1+2=3$$
