

While having to use Facebook livestream to celebrate our daily Masses and the recent Holy Week liturgies, we've come to realize there's a distinct void in our church. We've made every effort to fill that void by adding the beautiful fragrance of lilies and filling it with songs of praise, but something is still missing: YOU!

We'd like to invite our parishioners and all our children to decorate family hearts. You can decorate one for the whole family or let each family member create their own masterpiece.

Some ideas? What you love and miss about St. Mary's, the most important things about your faith, the friends and extended family you wish you could see, your patron saint(s), etc.

Bring your decorated hearts to church and place them in the baskets at the church entrances. This way, we can gather the hearts and decorate the pews with your hearts!

The sky's the limit so let's fill those pews!

P.S. This is another coloring, gluing, painting activity for the children that gives the parents a quick rest.
