

We are looking to create a Time and Talent database. We ask that every parent fill this out and return it to school. Please list special skills that could be useful to administrative staff, teachers and the PTO and School Board officers. We will keep your name and call you. We would prefer not to burden the same people over and over. We know there are "hidden" talents out there. We realize each of our families is unique – with its own priorities, needs, talents, and time constraints- and so we try to provide as many different kinds of opportunities for parental involvement as possible. Please review the volunteer opportunities suggested below and check what you are interested in, or tell us what you would like to do. If the form is completed and returned to school by October 3<sup>rd</sup>, the student will receive a free dress down day on Friday, October 5<sup>th</sup>.
