

DROP OFF AND PICK UP DATES

You received a large poly envelope when you picked up your child's textbooks. This will be used to return assignments and projects that cannot be emailed in to St. Mark. A milk crate will be located outside the gym doors that face the back parking lot. You may drop off student work any Monday or Tuesday. The teachers will provide you with items to pick up every two weeks. The designated pick up dates for the First Quarter are:

- September 8th and 9th
- September 21st and 22nd
- October 5th and 6th
- October 19th and 20th
