

*I Am Every Woman Campaign*, sponsored by the St. Lawrence Women's Group

We are a diverse, inclusive group, welcoming women of all types, styles, and ages (including students to grandmothers). We will feature individual members to introduce our group, and to explain how we serve the parish. This will provide familiar faces to greet, and a link to broaden our faith community.

*Meet Karen Personius*

Karen was raised Catholic, and attended the Newman Center in the early 80s while attending the University of Minnesota. One of her daughters was even married at the Newman Center. Karen was away from the Church for a while, but joined St. Lawrence in 2011.

Karen is currently the secretary of the St. Lawrence Women's Group. She sings in the 10 AM Mass choir. She is now retired but has many hobbies (such as motorcycling, bowling, playing Bridge, and knitting, to name a few).

Karen loves coming to St. Lawrence because of the "vibrant community and the show of faith of our young people." She is active with the women's group and all the parish events, and dedicated to the diversity of the community.

*Please greet Karen when you meet her. She regularly attends the 10 AM Sunday Mass. Ask her about the Women's Group or about herself—she would love to meet you!*
