

NURTURE IN US EXPECTANT HEARTS

Dear One Spiritual Family,

Advent is a sacred time to invite Jesus into our hearts on a deeper level. Our campus ministry theme this year is, *perfect love expels all fear* (John 4:18). During so much loneliness and confusion in our world, it is encouraging to witness the future leaders of our Church draw near to Our Lord. That is what everyone should be doing!

Would you support our important work through a gift today? Please call Kathy Jo Peterson in development at 612-261-2811 to learn about ways to make a difference at St. Lawrence Catholic Church and Newman Center. May the God of comfort and peace fill you and your loved ones with His presence this Christmas.

In the Heart of His Love,

Father Jake Anderson
Pastor and Director

Please help bring HOPE to all at St. Lawrence by giving towards a wish list item (*on backside of this letter*) or through an unrestricted financial gift!
