

Our Faith Environment...

is **Trauma Sensitive**

is **Safe** -uses Safe Environment strategies -is focused on individual strengths and needs -has consistent rules, relationships, structure, environment - avoids restraint and seclusion...

offers **Choice** -provides tools for coping -gives alternatives -involves youth & parents in self-care & safety plans...

Builds **Trust** -listens -reflects -accepts -understands -puts relationship first -is attuned to others -models right relationships -is deliberately different

Collaborates -with parents, children, & youth -uses a team approach -communicates - *looks out for children*

is **Empowering** -helps everyone belong -teaches coping skills & self-regulation -promotes service to all
