Dear parents of students entering 5th grade and new students,

St. Clare of Assisi is a one to one Chromebook school for grades 5th through 8th. This allows our students the use of their Chromebook both at school and home, with the added benefit of content filtering and technical support.

This is a friendly reminder that **students in 5th grade and all new students** are required to purchase and use their own Chromebook at school. SCA maintains a limited inventory of devices for special circumstances; however, students are expected to bring their Chromebook each day, fully charged and ready to use.

At the beginning of the school year, we will ensure that all Chromebooks have the necessary software and content filtering needed during school hours. Chromebooks can be purchased at many different stores and websites; some prefer the smaller model while others like a larger screen. The color of the Chromebook does not matter.

Please do not hesitate to reach out with any questions.

Mrs. Lind

Please have the Chromebook purchased and at school on the first day of the new school year.
