

10/07/2020

To our OLQA Families,

From October 13th through October 15th, we ask you to bring in old uniforms for a uniform swap. These may be old or hand-me-down uniforms that no longer fit or are too big for your child. All uniforms must be clean, with no rips or stains, and must be brought to school by your child in a plastic bag. (Parent drop off of uniforms will not be accepted) Each bag must be labeled with a grade level. No uniforms will be returned once donated to the school.

On Saturday, October 17th, we will be having the uniform swap. This will take place in front of the main entrance of the school building. Families with students from K - 5th grade can pick up uniforms from 9:00-9:30 in the morning. Families with students in The Mission can pick up uniforms from 9:30-10:00 in the morning.

Please remember to wear a face covering and stay at least six feet away from people not in your family.

Thank you for your help.

Best Regards,

*The Campus Ministry Core Team*
