Who Are We?

Called to be a family of families, Our Lady Queen of Apostles Regional Catholic School seeks to educate and nurture our students as disciples of Jesus Christ firmly grounded in our Catholic Tradition. Inviting God to be a part of the daily rhythm of our school-life, we strive to give our students a sure foundation of faith and a moral compass. By instilling in them a sense of self control, respect, and relationship, we help to guide their lives and shape the world of tomorrow. By seeking always to give our students individual attention, calling them by name and walking with them, we work to promote and uphold their dignity so they can achieve academic excellence and have a successful future. The environment of our school is shaped by civility, order, and respect helping our students to learn to never settle for mediocrity and treat everyone with the same compassion and dignity they have received. As a home away from home, the Catholic School of Center Moriches, seeks to provide a safe and beautiful place to grow.

These are unique and challenging times particularly in the work and ministry of education. OLQA's size and community nature allow us to adapt to these times. Since the Spring of 2020, faculty and students make critical and effective use of educational technology to further our mission of learning and formation even remotely. Each teacher provides a strong online presence, through Google Classroom, that allows parents to link to their child's learning experience. This allows us to provide a continuation of learning at home when this may be required.

Come and discover the OLQA difference at the Catholic School in Center Moriches.
