COMPREHENSIVE ATTENDANCE POLICY
FOR
ELEMENTARY SCHOOLS
Diocese of Rockville Centre

• **Statement of objectives to be accomplished**

The Education Department of the Diocese of Rockville Centre establishes this policy to ensure the maintenance of an adequate record verifying the attendance of all children at instruction in accordance with Education Law Section 3205. The policy is designed to ensure sufficient pupil attendance at all scheduled periods of actual instruction or supervised study activities to permit such pupils to succeed at meeting the State learning standards.

• **Description of the specific strategies to accomplish each objective**

  • Attendance will be taken at the beginning of each school day prior to the first period of instruction.
  • Attendance will be taken at the beginning of each scheduled class period when pupils move freely between classes.
  • Attendance will be taken after the pupils return from lunch.
  • Attendance will be taken on class and/or school field trips.

• **Determination of the kinds of absences, tardiness and early departures that will be excused and those that will not be excused; and a list of excused and unexcused absences and tardiness to illustrate each**

  • A pupil is considered **absent** if not present when attendance is taken.
  • A pupil who arrives after the time fixed by school policy for the beginning of the morning or afternoon sessions is **tardy**.
  • A pupil is **absent for part of day** if present when attendance is taken and then leaves school.
  • Incidents of absence and tardiness will be classified as either excused or unexcused. An excused absence/tardiness is one recognized by the Education Department and the school administrators as valid and unavoidable. An unexcused absence/tardiness occurs when the reason offered does not show unavoidable circumstances or necessity.
  • **Truancy** is the willful violation by a student of the compulsory attendance provisions of Education Law.

• *Description of the Diocese of Rockville Centre Education Department policy regarding pupil attendance and a pupil’s ability to receive course credit*

Regular attendance is a critical factor in school success for pupils. Therefore, both pupils and their parents must view regular attendance as the most effective way of meeting course requirements. Course credit is awarded based on satisfactory completion of course requirements. It is the responsibility of the parent to notify the school administration of an attendance concern.

• *Description of:
  • incentives to be used to encourage pupils to attend school
  • disciplinary sanctions to be used to discourage unexcused absences, tardiness and early departures*

Each elementary school of the Diocese of Rockville Centre will identify those incentives and sanctions that will promote regular attendance. These will be particular to each school and will include parental consultation when warranted.

• **Description of the process the schools of the Diocese of Rockville Centre will use to develop specific intervention strategies to address attendance problems**

When a child has been absent, the school must require a written excuse from a parent. These notes must be kept on file for one year. If a pupil is absent without an excuse, or if the school has reason to suspect the validity of the excuse, the principal should investigate the situation. In some cases referral to a guidance clinic may be helpful. If all efforts to persuade the child to return to school are fruitless, the case should be referred to the attendance teacher assigned to the local public school.

• It is the responsibility of the teacher to make the parents and administration aware of any attendance problems

• Notification form will be sent to parents when proper excuse has not been provided.

• After ten days, parents will be asked to come in for a conference to address attendance concerns.

• If necessary an outside agency/proper authority will be notified.

• **Identification of the person(s) designated in each school building who will be responsible for:**
  - reviewing attendance records
  - initiating appropriate action to address unexcused pupil attendance according to the comprehensive attendance policy

• Under powers delegated to the principal by the pastor or regional school board, the principal has full charge of the internal administration of the school.

• The principal may designate a school administrator or teacher to assist with implementation of the comprehensive school attendance policy. Such designee will be identified for the beginning of the school year.

• The principal and/or designee will review attendance data to look for patterns of unexcused absences and will initiate interventions to reduce such unexcused absences.

• An individual in the school is to be identified as the one responsible to identify and follow up on attendance concerns

• School policy will include guidelines for teachers and for the school nurse.
