

The STBOLH Parents' Association is proud to present our **1<sup>st</sup>** annual sneaker drive fundraiser. In the spirit of environmental and economic sustainability, we have partnered with GotSneakers, a sneaker recycling organization, which will compensate \$1 for every pair of wearable athletic sneakers and \$0.10 per pair for all other styles and conditions of footwear that we collect. There is no limit to the amount of money we can earn, while helping needy families around the world.

After the sneakers are collected, GotSneakers will process and distribute these sneakers around the world, specifically within impoverished nations. It is estimated that over 300 million pairs of sneakers are thrown away each year in America's landfills and that over 600 million adults and children worldwide live barefoot. We can touch the lives of thousands by simply cleaning out our closets and collecting our unwanted sneakers.

The request is simple: Clean out yours and your family's closets of all unwanted paired sneakers. Please send them in with your child for collection by their teacher by **Friday, June 7th**.

Thank you for your partnership and support!
