

ST. BRIGID/OUR LADY OF HOPE REGIONAL SCHOOL

June 2021

Dear Parents/Guardians,

Taking a break from school shouldn't mean taking a break from reading. Research shows that there are many benefits for students who read during the summer. Therefore, I am again offering a **voluntary** summer reading program.

By participating in this program, children **entering first grade** agree to read at least twenty minutes a day during July and August. The reading experience can include being read to by family members. An adult should then check off or initial the calendar once reading is completed for the day. When children share their calendars with me in September, I'll have a treat for them.

I have also included a list of some fiction and non-fiction books that might interest your young reader. If you have any questions, please contact me. Have a great summer! Happy reading!

Sincerely,
Mrs. Verrelli
