<p>1- Help your child choose a saint to research. Students may opt to use their first name or their middle name if there is a saint with that name.</p> <p>2- In an effort to avoid duplicate saints, please fill in and return the Saint Request Sheet*</p> <p>*Virtual Learners - can complete this Google Form for the Saint Request Sheet</p>	<p>Mrs. Risolo Radovich will post on Google Classroom notifying you of your child's approved saint.</p>	<p>Students are to complete the information sheet (posted on Google Classroom) about their saint.</p> <p>As soon as the information sheet is received, information will be formatted into a narrative for your child to practice reading.</p> <p>* Note: Research will be slightly revised in order to allow ample time for all students to speak during the prayer service.</p>	<p>Record your child performing their part horizontally.</p>  <p>They can be reading off of their sheet but it should not be directly in front of their face.</p> <p>Students are encouraged to wear a simple costume resembling their saint if possible, or their school uniform.</p> <p>Please email me the video. You can also post it to Seesaw. I will then compile them all into a video of our performance.</p>	<p style="text-align: center;">A [Virtual] Celebration of Saints!</p> <p style="text-align: center;">We will have a "live" premiere at 9:00 AM in school.</p> <p style="text-align: center;">The direct link will be posted on Google Classroom for you to access.</p>
