Bienvenido, herzlich willkommen, bienvenu, and gratissimum!

Hello Parents/Guardians and Students,

I am Ms. Sapio, the Rosetta Stone Coordinator for SJP2. As you know all 6,7,8 grade students will be using the Rosetta Stone Language Learning approach to study a foreign language. I am very excited to get started this year! A few new things have been added to the program. All aimed at reinforcing valuable learning.

Ah, but where to begin!

STEP 1: What foreign language does your student want to learn this school year using the Rosetta Stone Program? This year's choices are *Spanish, German, French, or Latin*.

STEP 2: Discuss these choices with your student. You may want to keep in mind foreign language options at your future high school. Do they offer this choice? Do you want to study a language of interest for the first year, then focus on another for later grades and beyond? Will you be able to take a H.S. placement exam? Deliberate your options carefully before you make your final choice.

STEP 3: Next, print this email (*one for each student*) and fill in the blanks including your foreign language selection. A parent or guardian must sign for permission.

STEP 4: Last, return this email to me at your first Rosetta Class.

Please Print...

Name: _____

Grade: _____

Language Choice: _____

Parent/Guardian Signature: I give my student permission to study this language choice.

Please email me with any questions or concerns. *Gracias*.

I look forward to working with all of you as our students begin, or continue, their foreign language adventure here at SJP2! Sincerely, Kay Sapio
