

# November News

Ms. Leonardi

Dear Parents,

I can't believe that we are already into the second week of November and have managed to all stay healthy! I thank you for your efforts to social distance outside of school. I love this month because it is a time to give thanks for what we have and spend time with family.

Attached to this letter you will find a flyer for Kait's Angels "Stuff the Trailer" collection. Fourth grade is the only class that takes donations for this foundation because it supports a cause that is close to my heart. Your participation is completely voluntary. They are mainly looking for toys and gift cards for the holiday season, especially this year with many families struggling due to the COVID-19 pandemic. If you would like to participate, please send in your donation by November 20<sup>th</sup>. I will have a box for the donations in my classroom. Five Below has great toys for low prices!

This month we will be concentrating on multiplication. Please help your child practice their multiplication facts each night. All the math curriculum from this point forward will require an understanding of multiplication. If they do not practice their facts, they will continue to struggle.

The outline for our first social studies project will be coming home sometime next week. You can help your child with the project, but please remember it is **THEIR PROJECT**. We will be gathering research for this project in class in the coming weeks. I will also be attaching pictures to my classroom page from previous years to give the students some ideas.

Our class is in need of a few supplies. If you are out and think of it, we could really use the following:

- Clorox wipes
- Paper towels
- Mini water bottles

If you have not already joined the remind app for fourth grade, please consider joining. You can send me an email with your cell phone number and I will add you to our class. Please check the remind app daily for new messages!

Please sell your raffle tickets! We are very competitive here in fourth grade. The students want to win their top secret prize!

Warm regards,  
Ms. Leonardi & Ms. Russo

**"Every child deserves a champion: an adult who will never give up on them, who understands the power of connection, and insists they become the best they can possibly be..."**
