

1st Grade Homework

Welcome to 1st Grade Homework! Homework will be placed in your child's Red Homework Folder and should be kept there for the entire week. Each morning I will mark daily homework assignments complete. Please know that there will be one page of assigned homework for Monday-Thursday. No homework on Friday! I ask that each night's homework assignment be completed the night it is assigned. If, however homework cannot be completed the night it is assigned please make sure to have homework done by the end of the week on Friday. Please make sure to also read for 15 minutes a night. Please log what your child has read on the assignment page. Any questions let me know!
