

OLV School Chromebook Distribution

Chromebook

/krōmbōōk/

noun

A laptop that runs Google's Chrome operating system and Chrome Web browser.

**OLV School is pleased to
distribute Chromebooks to our
Students.**

**These devices will greatly
enhance our academic program
and allow for maximum
engagement of our students
and their teachers.**

Distribution and Return

Students will receive, and return in June, an HP Chromebook and Charger

**Handbook and Acceptable
Use Policy**

Signatory Pages

**Must be returned before
Chromebooks can be taken home**

**Chromebooks are to be
returned in good condition**

Taking Care of Your Chromebook

- Handle with the utmost care
- Clean, soft cloth for cleaning

- Food and liquid
- Bumping, dropping, leaning on
 - Labels, stickers, markers

Using Chromebooks at School

Intended for use each day

Bring to school

FULLY charged

The School Provides/Maintains:

- Wallpaper
- Passwords
- Chrome Apps
- WiFi at School

A Few Notes for Doing School Work at Home:

- You will need to establish a wifi connection
- Printing at home will require a wireless printer
- Be aware that content may not be filtered while using the Chromebook on a home network

Please Keep in Mind

1. The school can review your Chromebook at any time - including all your browser history.
2. The school has your Username, Password and Chromebook serial number.
3. There is no downloading to the Chromebook of any software, files, images, etc.

FINAL THOUGHTS...

The use of OLV School's technology resources is a privilege, not a right.

Keeping your Chromebook secure, supervised, and well-maintained will allow you to use it as the great resource it is.

This is a big test of how responsible you can be - we believe in your ability to be careful, mindful and accountable.

"If you want children to keep their feet on the ground, put some responsibility on their shoulders."

Abigail Van Buren
