

NOTRE DAME SCHOOL

Please note: If your child is absent from school, a call should be made to Mrs. Dumas, our school nurse on the morning of the absence. In addition to the phone call, all students require a note when they return to school stating the reason for the absence. If a note is not submitted within a week of the absence, the child's absence will be marked as an unexcused absence. We appreciate your cooperation and compliance with this school policy. Health Office Telephone Number is: 516-354-2731.
