Dear Parents,

Each day is a blessing in Notre Dame School!

***Notre Dame School — #Notre Dame Strong – Strong Faith, Strong Minds, Strong Bodies.***

This year's theme for Catholic Schools' Week captures the spirit of our school! The gift of learning academics in a faith-filled environment is a priceless one. These messages of faith, knowledge and service are fostered and cultivated at Notre Dame School. As we walk through the halls of our school, we are filled with pride—in our young people's accomplishments, in our state-of-the-art technology, and in our faith community.

Thanks to you, our school is financially sound due to our main sources of revenue: *tuition, fundraising and Parish subsidy*. We are grateful to our parishioners for their continued support of our school. We are grateful to you for your cooperation and support of our school. Your participation and support of our fundraising efforts are vital to their success and central to keeping our school financially healthy. Because of this, we are pleased to announce that our tuition will only increase by 3% over the 2021-2022 school year.

As an incentive to spread the good news about Notre Dame School, any family who introduces a new family who registers and attends will be awarded a \$150 credit on their tuition account!

Enclosed with this letter please find several pieces of information:

- **Tuition rates for 2021-2022 school year**
