**ANNUAL REPORT  
2015-2016**

## A Message from the Director

Parents often remark how time seems to fly by as they watch their children grow up. When you see someone every day, it's normal to not notice any change. But when you haven't seen someone for a long time or see older pictures, the change becomes much more apparent.

Having been here for four years, I experience this whenever alumni come back to visit. They notice the changes and growth that has taken place and remind me of what I cannot always see from being here every day. Just this year alone we have seen a significant increase in Mass attendance, bible studies and RCIA.

Also, saying "goodbye" to this year's graduates – those who came to Baylor as freshman the year I began my assignment here – made me reflect on the impact the last four

years has on them. We have seen our students pursue their faith passionately, prayerfully and intellectually. We have seen them blossom into young adults and future leaders of the world.

It is a blessing to look back upon this year and share with you that we have so much to be thankful for. The growth in student participation and involvement is steady and tangible as has been the support of our benefactors. I can only hope and pray for further growth trusting that the Lord's will be done as he uses us to do his will on earth. Thank you for your generosity in supporting our mission to nurture the Catholic faith in our students and help them to take ownership of the mission the Lord has given them and all of us.

Please keep us in your prayers and I will do the same. I hope that you will visit us sometime in the coming year!
