ANNUAL REPORT 2016-2017

BLESSINGS ABOUND

A MESSAGE FROM THE DIRECTOR

People often ask me if it is hard being at a place where there is so much change from year to year, where a significant part of your congregation changes over due to graduation. Each year, it seems like so many good students who have grown into leaders in the community graduate and I wonder how we can go on without them. But God is faithful and every year He has given us new leaders who are ready to rise to the occasion and take on new responsibilities. This is in large part due to the older students investing and fostering a sense of ownership of faith in the younger students. Through a culture of discipleship, we are able to allow the Holy Spirit to be the soul of this community and to grow even when people come and go each year.

We are so thankful to have your support to help provide the environment and resources needed to allow our youth to rise to the challenge of committing their life to Christ and His Church and build a culture and community of discipleship. We have been able to complete a modest renovation that has added greatly to the beauty and dignity of our chapel. We are also fostering a greater visibility and cooperation on campus with the university and among the faculty that has resulted in a Catholic alumni network. We are hopeful and anticipating another blessed year that will challenge us to give more to this mission.
