

**Our pope speaks:** “Do we truly realize that something is wrong in a world where there are so many farmworkers without land, so many families without a home, so many laborers without rights, so many persons whose dignity is not respected? Do we realize that something is wrong where so many senseless wars are being fought and acts of fratricidal violence are taking place on our very doorstep? Do we realize something is wrong when the soil, water, air and living creatures of our world are under constant threat? So, if we do realize all this, let’s not be afraid to say it: we need change; we want change.”
