

HANDBOOK AGREEMENT FORM

Dear Parents,

Communities are successful to the degree to which the members are knowledgeable of and in accord with the rules, regulations, and policies that govern them. Our Lady of Wisdom Regional School insists that parents be aware of their responsibility to assist and support the teachers and administration in the implementation and enforcement of what has been outlined in the Parent-Student Handbook, as well as all other school regulations. For a student to be enrolled at Our Lady of Wisdom Regional Catholic School, all custodial Parents/Guardians must sign this Handbook Agreement Form. A parent signature on the form indicates that the signer has read and agrees to support the philosophy and policies of the Our Lady of Wisdom Regional School (including any published changes or additions that may occur throughout the year). A copy of the handbook is available to view on the school website.

Sincerely in Christ,

Mr. John W. Piropato
Principal

I have read this Handbook in its entirety, and have read and explained it to my children. We accept our responsibility to support all school regulations.
