

8th Grade Share-A-Meal/Service Project

As part of the School Service Initiative, the 8th grade is partnered with Saint Anne's Share a Meal ministry, through which home-cooked meals are prepared and delivered to parishioners in need. Parish volunteers provide this service throughout the year and the 8th graders join in once a month (on Thursdays) to share in the experience of cooking dinners and writing letters to parishioners who are facing difficult challenges at this time.

To assist with this effort, parents are needed to meet us at dismissal in the cafeteria and to help deliver the dinners and an envelope with letters to the parishioners' homes. The people who receive these meals are truly grateful. More than food alone, the message being delivered is that there are young people who care and are willing to give of themselves in reaching out to help.

We are also in need of parents to assist the service parents with the shopping (Pellegrini or Costco) and/or cooking in the kitchen on the day of. If you are interested in helping with the shopping and/or the cooking please contact Taylor Volpe. tvolpe@stannesgcschool.org

Below are the dates for the 8th grade Service Project. Please take note of which day your family has been assigned to help. If you are unable to make your assigned delivery date, it will be YOUR responsibility to make arrangements for someone else to do it for you. ***Please meet at 2:20pm (dismissal) in the cafeteria to pick up the meals and the address of the recipient. It is important that the children assigned to the date make the deliveries with you; in addition, please also be aware that a little time might be needed at the respective households as the parishioners love to speak to the children. It truly is a rewarding experience for all. THANK YOU for all your support and cooperation in making this endeavor possible.

Thank you again for your continued support and cooperation! If you have any questions or concerns, please do not hesitate to contact us at the following emails:
