FORUM

Learning at
St. Anne's School
2020-2021

In-Person
Remote

In-Person

- All students will return, but students will remain in their homerooms for the duration of the day and the teachers will come to them, with the exceptions:
 - Music (which may be in the main church)
 - Gym (which may be in the gym or outdoors)
 - Science Lab. In those cases the rooms will be sanitized after each use.
 - Classes such as Spanish, Art, Technology, Library, and Religion will all come to the homerooms of the students.
- To ensure safety during lunch the cafeteria, gym, or classrooms may be utilized.
- All movement throughout the school will be in a single file. Arrows will indicate the flow of movement.
- Recess will be either outside or in the classrooms depending on the weather.

In-Person

- Teachers will use the Google Classroom platform and Google Suite. Other platforms may be used to enhance student success and/or engagement.
- A process will be made to provide students with Chromebooks to borrow and to be returned upon the completion of the academic year.

Remote

- Teachers will use the Google Classroom platform and Google Suite. Other platforms may be used to enhance student success and/or engagement.
- A modified schedule for grades K-grade 3 and a bell schedule for grades 4-8 will be used.
- Classes will be expected to meet daily via Google Meet.
- We are working to offer 1:1 technology.
- Teachers and students will receive instruction and training in the use of digital learning platforms.

Remote: Operational Criteria

- The same academic standards and requirements are applied to programs offered on campus and through online learning.
- Online learning programs are coherent, complete, and offered in a sequence or configuration that allows timely completion of requirements.
- Faculty members are responsible for the initial and ongoing development and delivery of instruction in on-line programs.
- Teachers provide appropriate and flexible interaction between faculty and students and among students.
- Distance learning programs include adequate verification of learners' work.
- Attendance would be taken for each session.

Health Questionnaire

Questions for Saint Anne's Students Before They Go to School

- Does your child currently have a temperature of over 100.0 degrees?
- In the past 24 hours, has your child experienced:
 - Fever
 - Fatigue
 - Frequent Dry Cough
 - Aches and Pains
 - Sore Throat
 - Diarrhea
 - Headaches
 - Shortness of Breath
 - Loss of Smell or Taste
- Has your child recently been in close contact with anyone who has exhibited any of these symptoms?
- Has your child been in close or proximate contact in the past 14 days with anyone who has tested positive for COVID-19 or who has had symptoms of COVID-19?
- Has the student traveled recently from a state or country where New York State is requiring a 14 day quarantine upon return to New York State?

Temperature

- Each person entering the school will have their temperature checked before being allowed to enter. Persons with a confirmed temperature equal to or exceeding 100.0 degrees will be denied entry to St Anne's School.
- Surface thermometers will be used to check temperatures of anyone entering the building.
- Faculty and staff will complete a daily form to confirm that they are healthy and in compliance with all NYS guidelines and executive orders. (including recent travel to restricted areas with high rates of COVID-19)

Mask Usage

- All students, faculty, staff, and visitors will be required to wear a CDC-approved face covering whenever they are moving about the building or in classroom.
- Neck gaiters, open chin triangle bandanas, and costume masks are not allowed.
- Student face coverings must be of a solid color and may not include any logos besides the St. Anne's School logo.
- Mask breaks will be scheduled during the day.
- Students will have a 6-foot distance during lunch so they can remove masks.
- All adults who enter the building must supply and wear a cloth mask or face covering that covers their nose and mouth.
- Students are asked to supply their own mask or face covering. We will maintain a supply of extra masks for students.

Social Emotional Learning

What is SEL?

Social and emotional learning (SEL) is the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships, and make responsible decisions.
