

Dear Parents,

Welcome to the 2020/2021 Nursery Program at St. Anne's. My name is Lucia Ruggiero and I will be your child's teacher this year. Although these times are a bit uncertain and confusing one thing that will be certain is that your child will have a fun, educational, and amazing year. This is their first year of school and a time for them to shine. I am looking forward to getting to know your incredible children and watch them succeed and prosper this year.

Throughout the coming days I invite you and your child to join me and our wonderful aide Mrs. Hayes in getting your child acquainted with the classroom and for you to ask us any and all questions you might have for this coming school year. The "Meet the Teacher" meetings will be in 15 minute increments Wednesday 9/8, Thursday 9/9 and Friday 9/10 from 9:15am to 1:30pm. I will be sending out an email where you will be able to request the time and day that best suits your schedule.

In addition, I feel strongly that parent/teacher communication is key in the success of a child. With that being said this year we will be using Class Dojo to ensure constant communication. This is an app that can be downloaded on your phone, tablet, or computer that will allow me to share pictures and videos of activities and projects that will be done in our class daily. It is also a great source for the students with parent supervision to get on and share what we have learned in class to something they may see when out with the family, etc. or simply something they wish to share with me or Mrs. Hayes. In addition, this is also a platform where you will be able to voice any concerns, questions, or comments that you have me for in a private message. More information is to come regarding Class Dojo and an invite for you and your child to join.

I look forward to meeting you all this coming week!

Sincerely,
Ms. Ruggiero.
