June 2021

Dear Parents and Guardians,

I hope this note finds you and your family safe and well. I wanted to share with you the grade specific mandated Health requirements that are routinely set out by New York State each year.

1. **All students in grades Pre-K, K, 1,3,5, & 7** will need to submit documentation of a current Physical exam performed on or after September 8, 2020. A Dental examination is also recommended.
2. **The New York State Health Certificate** and **The Dental Examination Form** can be downloaded from our school website under: **School resources/school policy and documents/Nurse health info.**
3. Please note that **The Updated New York State Health certificate** is the **only** form that will be accepted as a valid Physical exam form for the new school year.

Our goal is to provide and promote a healthy school environment for our students. Well checkups and up to dates vaccinations are the foundation of good health.

If you have any questions you can reach me at the contact information listed above.

Sincerely,

Marie Murphy R.N.

St Anne's School Nurse
